Conferences

- **Seminar - Speaker:**
Letizia De Mori, Mauro Montanari; *Dislessia a quattro mani – la pratica allo strumento musicale dell’allievo dislessico. (Dyslexia at four hands – musical instrument practice of dyslexic students)*. School of music and Theatre A. Salieri; Sommacampagna (VR - Italy) January 18th 2014.

- **Seminar - Speaker:**

Letizia De Mori, Roberto Grison; Dislessia, questa sconosciuta (Dyslexia, this unknown). MOICA –Verona; Verona (Italy) November 20 th 2013.

- **Poster:**

Barbara Carretti, Silvia Lanfranchi, Irene Mammarella, Letizia De Mori and Renzo Vianello; Exploring visuo-spatial working memory performance of individuals with Williams Syndrome. 9th European Conference on Psychological Theory and Research on Intellectual and Developmental Disabilities (ECIDD); Trieste – Italy; June,14-16, 2012.

- **Poster:**

Letizia De Mori, Barbara Carretti, Silvia Lanfranchi, Irene C. Mammarella, and Renzo Vianello; Analisi della Memoria di Lavoro Visuo-spaziale in individui con Sindrome di Williams (Visuo-spatial Working Memory Analysis in individual with Williams Syndrome) . XXI Congresso Nazionale AIRIPA – Disturbi dell’Apprendimento (XXI National Conferences AIRIPA - Learning Disability); Bari October, 12-13 2012.

- **Seminar - Speaker:**

Letizia De Mori; Psychological Assessment. CICER; Abu Dhabi, December 10th 2015.

- **Conference - Speaker:**

Letizia De Mori; How do I know everything is ok with my child? – Inclusion Seminar. The British International School Abu Dhabi, December 4th 2016.

- **Seminar - Speaker:**

Letizia De Mori; The price of Learning. CICER; Abu Dhabi, December 4th 2016.

- **Training - Professor:**

Support course for the music psychology course (for the acquisition of 24 credits as per University Degree 59/2017). Mantua Music Conservatory.

- **Seminar: Speaker:**

Cognitive and Neuroradiological evaluation. Silver-Russell Syndrome: face to face with the families. December 13, 2017. Giannina Gaslini Institute, Genoa – Italy.

- **Seminar – Professor:**

Turner Syndrome: Functional Profiles and Neuroanatomical correlations. "World Growth Week – September 23-27 2019". Giannina Gaslini Institute, Genoa – Italy.

Summit

British Psychological Society. BPS Co – Creation Summit. London (UK) – February 17, 2020 / April 2020. ("Mentoring and Coaching" presentation).

Expertise

- Testing and Assessment from developmental age, adolescent age, adulthood, with rendering results.
- Medical Legal Report.
- Premorbid IQ analysis (IQ estimated before brain damage, trauma first psychotic episode, and any other disorder/injury).
- Home Office assessment.
- PIP Assessment.
- Competencies follow-up visits.
- Competence in fMRI, TAC, PET.
- Cognitive Rehabilitation for Brain injury, ADHD, Learning Difficulties, Intellectual Disability, Schizophrenia.
- Drafting of EIP (Education Individualized Plan), DPP (Didactic Personalized Plan), and EHCP.
- Psychological support during the bereavement.

Certificate

- Level 3 Safeguarding Adults Training.
- Designated Safeguarding Lead (Level 3) – for Children and Young People.
- Accident Reporting.
- Assessing Mental Capacity.
- Basic Life Supporting in Care.
- Bullying and Harassment for Employees.
- Communications Skills.
- Conflict Resolution.
- Deprivation of Liberty Lifeguards.
- Equality and Diversity in Care.
- Fire Awareness.
- Handling Information in Care.
- Manual Handling.
- Privacy and Dignity in Care.
- Risk Assessment.
- Whistleblowing.
- Basic Resuscitation Course for Community Hospital Staff – Level 2.

Assessment

- Cognitive
- Personality
- Language
- ADHD
- Attention
- Memory
- Learning Disabilities
- Neuropsychology
- Clinical disorders
- Autism
- Emotional intelligence
- Psychological Damage
- Dementia
- Premorbid IQ
- PIP
- Home Office

Other Expertise

- First AID Diploma at Red Cross of Balerna (Switzerland).
- Diploma DAE.
- ECDL Certification (European Computer Driving License).
- Psychologist Support in pregnancy and after delivery bereavement.
- Assessment and treatment of the child with the disorder of praxis skills (verbal and motor), simple or combined.
- ADHD: clinical and educational strategies.
- Diagnosis of Learning Disability: the role of the memory and the attention.
- Learning Disability and rehabilitation protocols to develop memory and attention.
- Assessment of psychological damage.
- Assessments of parenting skills.
- Neurocognitive causes in Learning Disability and specific language disorder: Attention and perception role.
- WPPIS-IV, Weschler Preschool and Primary Scale of Intelligence: Administration, Scoring e Clinical interpretation.
- WISC – V-UK, Weschler Intelligence Scale for Children: Administration, Scoring e Clinical interpretation.
- WISC-IV, Weschler Intelligence Scale for Adult: Administration, Scoring e Clinical interpretation.
- ADOS-2: Administration, Scoring e Clinical interpretation.
- ADI-R: Administration, Scoring e Clinical interpretation.
- Victimology - Clinical documentation, diagnostic and rehabilitation clinical-assistential path, assistance profiles - care profiles.
- Alzheimer's and other dementias.
- Review of Clinical Care Paths in the Light of a Multi-Professional Integration Approach.
- Technical and Expert Consultancy for low courts and lawyers.
- Hikikomori: intervention, strategies, and prevention on self-isolation in young population.
- New SARS-CoV-2 coronavirus health emergency: prevention and contrast.
- Infection prevention and control in the context of the COVID-19 emergency.
- Fundamental Neuroscience for Neuroimaging.
- Foetal Alcohol Spectrum Disorder (FADS): Epidemiology, Diagnosis, Treatment, and Prevention.
- DBT Essential – Dialectical Behaviour Therapy Essential.
- MoCA Assessment - Cognitive Assessment for Dementias and cognitive Impairment related to many Brain conditions and disorders.

Other Master

2015-2016 Learning Disability, Specific Learning Difficulties and School. Centro Studi Erickson. Trento (Italy).

Superior Certificate

- European Certificate in Psychology (EuroPsy).
- Neurab – Cognitive Treatment. Technologies for neurocognitive rehabilitation.

Court of Tribunal

2018-Today Register T.E.C. (Technical Expert Consultant)/ Experts – Verona Court and Judge Board (Verona – Italy).
