Research Experience

I have completed by systemic review on the association between paternal depression and emotional symptoms in childhood and adolescence

Quality Improvement and Audit Experience

1. An audit of Harrow CAMHS adherence to NICE guidelines: Autism diagnosis in children and young people. Aug 2014
2. I undertook an audit of timely requests for bone scans in the Eating Disorders team (Ealing CAMHS): Jan 2018
3. I'm undertaking a quality improvement project on helping CAMHS clinicians to explain different therapies to young people and families (Writing a CAMHS-wide booklet)

Management Experience as a Consultant

I'm a member of the senior management team at NW CAMHS, SABP.

I have had the opportunity to be part of the CNWL CAMHS transformation project.

I have sat on and contributed positively to the local implementation of the transformation project.

Management Experience as a CAMHS Trainee

I have both formal and informal management training including

1. Leadership and management training: 23rd May 2018
2. Training the trainer sessions on SUIs, coroner court, handling complaints, etc

I have been acting up as a consultant for daytime on calls within urgent care service in Harrow CAMHS

I have had the opportunity to attend various management meetings within the period of my specialist training in CAMHS

- a) Medicine committee meeting (BEH)
- b) Inpatient CQUIN meeting (BEH)
- c) Senior management meeting with inpatient commissioners (BEH)
- d) Care quality performance management meeting (CNWL)
- e) New models of care (CNWL)
- f) Shared care (meeting with joint Commissioners for Hertfordshire and Barnet)
